## REMARKS

### Requirement for Species Election

Applicant hereby elects G-418 as the species of aminoglycoside antibiotic for examination in the instant application. Claims 3, 4, 63 are generic. It is understood that upon allowance of a generic claim, Applicant will be entitled to consideration of claims to additional species which are written in dependent form or are otherwise include all the limitations of an allowed generic claim as provided by 37 CFR § 1.141.

### Status of and Amendments to the Claims

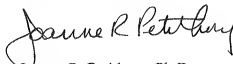

Claims 54-55, 59-62 and 64-65 are canceled herein without prejudice to renewal or to filing in one or more continuation and/or divisional applications. Please note that Applicants reserve the right to file subsequent applications claiming any canceled subject matter, and that the claim amendments and cancellations should not be construed as abandonment of any claimed subject matter.
